## **WATER MAIN REPLACEMENT ON CITY'S EAST SIDE & S. MAIN STREET**

The City of Cheboygan has contracted with the engineering firm of Wade Trim of Gaylord, Michigan to replace water main along Duncan Avenue from E. State Street to Eastern Avenue **and** South B, C & D Streets from E. State Street to Seventh Street. The contractor for this project is Pete's Contracting of Falmouth, Michigan and Wade Trim are the engineers with construction expected to begin in mid-July with completion no later than November 15<sup>th</sup>. Water main along Main Street from Nelson Street south to Lincoln Avenue will begin in mid-September, based on current plans. These water main replacement projects were made possible through an Infrastructure Capacity Enhancement Project grant in the amount of \$750,000 from the Michigan Economic Development Corporation (MEDC) with matching funds, by issuing revenue bonds, from the City of Cheboygan Water System Fund. This water system infrastructure improvement was initiated as a result of the City's Water Quality Action Plan as the majority of the water quality complaints were received from the areas slated for improvement.

**The City advises that if you live in the areas under construction you may experience short-term interruption of service, low pressure, discoloration of water, etc. The contractor will be notifying customers of any service interruption ahead of time in order to accomplish hook-up to the new system. ## A FEW WORDS ABOUT SIGNS & INOPERABLE VEHICLES

With the arrival of summer come new businesses and business ventures. With those comes the need for signs. With signs comes the need for permits from the City of Cheboygan under Chapter 152 of the City Ordinances titled "Signs." In short, this states that all new businesses and/or existing businesses adding new signs or changing existing signs are required to obtain sign permits at City Hall. This includes, but is not limited to, temporary signs, permanent signs, ground signs, wall signs, window signs, etc and also includes banners.

The City of Cheboygan Nuisance Ordinance and Sign Ordinance prohibits the erection of any type of signs or banners within any portion of the right-of-way. This prohibits the posting of signs on any power or telephone poles or off premise postings. Persons wishing to advertise garage sales should do so through the local media and with a sign posted on their property or on another person's property with written permission. Yard or garage sales are not permitted for longer than seven (7) days in any 90-day period.

Persons are also reminded that City Ordinance prohibits unlicensed, uninsured, inoperable motor vehicles from being stored on property within the City of Cheboygan.

**Please**

The Department of Public Works asks that you not place leaves, branches, yard clippings, etc. on the streets until the City clean-up in the late Fall. The date will be announced in early October. The City needs to have the streets clear in order to operate their street sweeping machinery. If you have any questions, please contact David LaCross, DPW Superintendent at 627-2493.

**THANK YOU**
