

The CITY REVIEW

FALL CLEAN UP TIME. Again this Fall, the City's Department of Public Works will provide free pick-up service for yard rakings, brush, small tree limbs, etc. The dates for the clean-up are **Monday, October 17th through Friday, November 4th**. Refuse must be out by 7:00 a.m. October 17th on **the edge of all streets**, [not in alleys, ditches or on grassy areas] as trucks will begin area pick-up at 7:00 a.m. We ask your cooperation in separating leaves into one pile and brush & small tree limbs into another. This makes the pick-up and disposal process easier for crews. If not separated, the City cannot guarantee their pick-up. **DO NOT USE BAGS OF ANY TYPE.** The City cannot and will not accept garbage, household trash, appliances of any kind, tin, metal, building materials, or items too heavy for one person to lift. **GRASS or LEAVES IN PLASTIC BAGS WILL NOT BE PICKED UP!** If you have any questions, please contact the Department of Public Works at 627-2582 between 7:00 am & 3:30 pm

VACANCIES ON BOARDS & COMMISSIONS

The City of Cheboygan has vacancies on its Zoning Bd. of Appeals, Brownfield Redevelopment Authority Board, Human Relations Board, Historic Resources Commission, and Planning Commission. SNOW & ICE REMOVAL FROM SIDEWALK REQUIRED

The owners of any property in certain areas are required by City Ordinance to keep sidewalks clear of snow and ice. The areas which are included in the snow & ice removal Ordinance are listed as follows:

- Huron Street from Mackinaw Avenue to Locust Street
- Main Street from First Street to the South City Limits
- Water Street from State Street to Elm Street
- Mackinaw Avenue from Clinton Street to Main Street
- State Street from Huron Street to "F" Street
- Backus Street from Huron Street to Main Street
- Division Street from Dresser Street to Water Street
- Elm Street from Huron Street to Water Street
- Pine Street from Huron Street to Main Street
- Locust Street from Huron Street to Main Street

These sidewalks have been identified as high foot traffic areas and, as such, removal of snow & ice is required by Ordinance in order to insure public safety and limit property owner and public liability. The City of Cheboygan does provide snow removal services within this area, but this does not dismiss the requirement of the property owner to be sure that the sidewalk is clear in the event that the City is unable to keep the sidewalks clear in a timely manner. The snow & ice removal Ordinance provides for fines in the event a property owner is in non-compliance and also provides for exceptions to these provisions with regards to property which is leased. **DO NOT PILE SNOW IN RIGHT-OF-WAY, ON SIDEWALKS OR IN BERM AREA (BETWEEN CURB & SIDEWALK).**

For more information regarding the snow & ice removal Ordinance, you may call the Department of Public Safety at 627-4321, visit the City of Cheboygan's web site or stop at City Hall to obtain a copy of the Ordinance.

Trick-or-Treat in Downtown Cheboygan, October 31st, from 3:00 pm to 5:00 pm.

RENTAL PROPERTIES

Owners of rental properties are reminded to notify the billing staff at 627-3592 whenever there is a change in tenants. A meter read needs to be done in order to calculate a "final bill". **Also**, in order for the water/sewer bill to be in the tenant's name, a \$100 deposit is required by the tenant, pursuant to policy set by the City Council. Otherwise the billing stays in the owner's name. Deposit money is kept in a separate account to be used on the final bill or returned if nothing is owed.

“Let Water Run and Water Service Freezing Policy” - Effective October 25, 2005

The City of Cheboygan will allow a “Let Water Run Credit” for those water/sewer customers who properly notify the City that they will be running their water over the winter months to avoid freeze-ups of their water service. Proper notification shall be in writing to the water/sewer billing department. The City will keep a record of the yearly lists subject to the City’s “Records Retention Policy.”

In the event that a customer experiences a freeze-up of service that must be thawed by the City, the customer shall then notify the water/sewer billing department, in writing, that they will let their water run to avoid future freeze-ups. The City water/sewer department will then add the customer to the City “Let Water Run List”.

If the water service freezes between the water main and the “curb stop” or outside the water meter pit, the City shall correct the situation at its sole expense. If the meter freezes, the City shall thaw the service one time, any subsequent thawing shall be at a rate of \$40.00 per occasion and added to the customer’s next water/sewer billing.

If water service freezes on the building side of the “curb stop” or outside the meter pit, the City will have no responsibility in the matter. The City may assist on a labor, equipment, material and overhead basis if the customer agrees to pay the total expense.

The water/sewer billing clerk shall issue a “Let Water Run Credit” for all customers on the City “Let Water Run List” on the next billing that is based on an **actual reading** of the customer’s water meter. The amount of the credit will be based on the **previous year actual meter read** billed amount.

The City of Cheboygan reserves the right at any time, to modify, revise, amend, terminate or otherwise change the City’s Let Water Run and Water Service Freezing Policy.

The Act provides a 45-day period from the time the backup is discovered to report the event in writing to City Manager, 403 N. Huron Street, P.O. Box 39, Cheboygan, Michigan 49721. Persons who do not provide written notice to the City of Cheboygan within 45 days of the discovery of the backup event will be unable to seek claims under the Act.
