To provide that response, you may dial 290-2900 to reach an employee of the Water and Wastewater Department. Do's & Don'ts EXPERIENCING A WATER/SEWER PROBLEM???

Call the City at 627-2582 first before calling your plumber to find out whether or not your problem is the responsibility of the City. If you call your plumber first, the City will not be responsible for any costs.

Thank you.

UNDERSTANDING YOUR WATER/SEWER BILL

Codes: WA=Water; SI=Sewer; FS=Flat Sewer; WO=Out of Town Water; A=Actual Meter Read; E=Estimated Meter Read
Bills are sent out quarterly; two bills have actual meter reads – the other two bills are estimated on past actual usage since meters cannot be read during the winter months.

RENTAL PROPERTIES

Owners of rental properties are reminded to notify the Utility Billing Dept. at 627-3592 whenever there is a change in tenants. A meter read needs to be done in order to calculate a "final bill". Also, in order for the water/sewer bill to be in the tenant's name, a \$100 deposit is required by the tenant pursuant to policy set by the City Council. Otherwise the billing stays in the owner's name. Deposit money is kept in a separate account to be used on the final bill or returned if nothing is owed.

Public Notice

Any citizen having experienced an overflow or backup of a sewage disposal system or storm water system, must file a written claim with the City of Cheboygan within 45 days after the overflow or backup was discovered or in the exercise of reasonable diligence should have been discovered. Notice should be mailed to Dale A. Stuart, City Manager at the City of Cheboygan, PO Box 39, 403 N. Huron Street, Cheboygan, Michigan 49721. Several City Ordinances and also the BOCA Building Code require that a permit be obtained before beginning certain projects. Signs, **new and replacement, (even if you move your business)** as well as all building projects require a permit from the City. The cost of a Sign Permit is \$25.00; the cost of a Zoning Permit is \$25.00. [Storage sheds, porches, decks, etc. require a Permit.]

If a sign or zoning variance is requested a \$125.00 appeals fee must be paid to the City of Cheboygan.

The Cheboygan County Construction Code and Zoning Department (627-8813) handles all building permits and inspections within the City with the exception of water and sewer connections. You must stop at the City Hall and complete the application for review and approval by the Zoning Administrator before the County issues any permits. (Banners are temporary issue only & require a permit.)

PERMITS REQUIRED FOR WORK IN STREET RIGHTS-OF-WAY

Work requiring a Permit within a street right-of-way includes patch work, culvert installation, curb, sidewalk or driveway repair, tree or shrub planting or any other type of work within the street right-of-way. Please contact the Department of Public Works, at 627-2582 should you plan work in the street right-of-way or have questions concerning street rights-of-way.
