

The CITY REVIEW

WATCH OUT FOR SNOWPLOW TRUCKS

While driving along City streets this winter, please be extra cautious when encountered by snowplow trucks during the course of their snow clearing activities. Be sure not to follow or park too close behind a plow truck in operation, as they often are required to back up. Operators have difficulty seeing what may be directly behind the vehicle. Parents should be aware that during winter storm events, which cause school closings, snowplows are busy clearing streets and opening them to traffic as quickly as possible after the storm. Due to school closings, many children are out & about entertaining themselves and enjoying a day off from school.

Parents should be aware of the snow plowing activities and be sure children are kept away from streets and roadsides. Also, please do not allow your children to build snow forts near the streets.

CITY BLIGHT COMMITTEE

The Department of Public Safety has been proactive in addressing the blight issues within the City. See the following Ordinance as to what a property owner can be cited for. We ask your cooperation in taking care of your property. The City Council is committed to stricter blight issue enforcements beyond grass cutting and vehicles. Members of the City's Blight Committee are: City Manager Thomas Eustice; Police Chief Kurt R. Jones; Councilman Vaughn Temple; Councilman Nate King; and Citizen James Conboy, Jr.

BLIGHT: Chapter 95.06 states that "It shall be unlawful for any person to keep or maintain a garish exterior upon any vacant structure, building, dwelling, garage, or outbuilding, factory shop, store, or warehouse..." "All exterior property areas shall be properly maintained in a clean and sanitary condition, free from debris, brush, severed tree limbs, rubbish or garbage, physical hazards, rodent harborage and infestation; storage or placement of junk refuse or other objects, including, but not limited to, campers, trailers, lawnmowers, snowmobiles, tractors, motorcycles, boats, and others items not having been used recently for their original intended purpose in the right-of-way, yard, front porch or outside area exposed to the view of neighbors or the general public is prohibited, unless a temporary permit is issued by the City Manager."

PROPERTY

INSPECTIONS CONTINUE

The City of Cheboygan is in the process of updating all property record cards over the course of the next few years. Someone may be stopping at your property to update the property record card this year or in the near future. The inspection includes a complete re-measuring of the land improvements along with listing the building improvements. Also, digital images will be taken for the record. Some questions such as how many bedrooms, bathrooms and interior finish may be asked if you are home. Access to your home is not asked for or required for this project.

Most of the City streets coming into the City are permitted on the east and west sides with the exception that at no time are ORVs/ATVs allowed on Mackinaw Avenue and State Street (U.S. 23) or Main Street (M-27). Residents who wish to ride an ORV/ATV but who are not located on a designated street must get a free permit from the Department of Public Safety, which will state the most direct route from the operator's residence to a designated street. At no time are you allowed to operate an ORV/ATV on the M-DNR Snowmobile Trail. If you have any questions, please stop in or contact the Department of Public Safety at 627-4321 between the hours of 8:00 am to 4:00 p.m., Monday-Friday.

ANIMAL CONTROL

Chapter 90, Sections 90.08 and 90.22 of the City Ordinance require that all persons **walk their dogs on leashes** and **have** them under control and that they clean up all manure deposited or accumulated upon any street, sidewalk, gutter, alley or private property.

SNOW & ICE REMOVAL FROM SIDEWALK REQUIRED

The owners of any property in certain areas are required by City Ordinance to keep sidewalks clear of Snow and ice. The areas which are included in the snow & ice removal Ordinance are listed as follows:

- Huron Street from Mackinaw Avenue to Locust Street
- Main Street from First Street to the South City Limits
- Water Street from State Street to Elm Street
- Mackinaw Avenue from Clinton Street to Main Street
- State Street from Huron Street to "F" Street
- Backus Street from Huron Street to Main Street
- Division Street from Dresser Street to Water Street
- Elm Street from Huron Street to Water Street
- Pine Street from Huron Street to Main Street
- Locust Street from Huron Street to Main Street

These sidewalks have been identified as high foot traffic areas and, as such, removal of snow & ice is required by Ordinance in order to assure public safety and limit property owner and public liability. The City of Cheboygan does provide snow removal services within this area, but this does not dismiss the requirement of the property owner to be sure that the sidewalk is clear in the event that the City is unable to keep the sidewalks clear in a timely manner.

The snow & ice removal Ordinance provides for fines in the event a property owner is in non-compliance and also provides for exceptions to these provisions with regard to property that is leased. **DO NOT PILE SNOW IN RIGHT-OF-WAY, ON SIDEWALKS OR IN BERM AREA (BETWEEN CURB & SIDEWALK).** For more information regarding the snow & ice removal Ordinance, you may call the Department of Public Safety at 627-4321, visit the City of Cheboygan's web site or stop at City Hall to obtain a copy of the Ordinance.
